## Mighty Good Suggestion

There are now thirteen prisoners confined in the county jail at Flagstaff and prospects are good for five more within the next week. A total of twenty-two can be accommodated by Sheriff Francis, after which it will be necessary to hang them up on nails to sleep. The board of these prisoners is costing the taxpayers 50c. per day for each one. Why not have a good county road surveyed between Flagstaff and Williams and, instead of sentencing petty offenders to serve time at the county's expense, give them 30, 60 or 90 days at building a good highway between the two towns. These fellows would not be so anxious to break into jail if they had to work for their board. —Williams News.

Sidney and Frank Richards, aged 6 and 8 years, were lost on the desert near Globe last Saturday. A special engine and a carload of searchers were sent out to find them.

More oil lands have been located by a new oil company near Winslow by Phoenix parties.
